*With every actor thought I write
May your auditions be threaded and tight
And may all your "fuck-its" be right.*

I did all that I could do . . .
But I can't regret what I did for love
What I did for looooooove*

*Look my eyes are dry
Can someone pass a tearstick?
After all that we've been through. . .
But I won't forget what I did for love
What I did for love . . .*

*Gone! No more Lesly Kahn!
Kahn Kahn Kahn Kahn Kahn
My last breath is drawn (On the Right Side of the
Brain)
What a cruel December.*

. . . BUILD IT UP

*Why don't you build it up?
Build it up, why you gotta let me down?
Let me down.

Worst of all
What is this here? IT'S A LIST!
